19 MUSEUMS - ROSEVILLE TO TAHOE!

WELCOME TRAIL TRAVELERS!

We are glad you decided to join us on the 2010 Heritage Trail Museums Tour. This year 19 museums from Roseville to Tahoe are committed to showcasing history in a fun and entertaining way. For many, this event has become a family tradition. Whether you are from Auburn, Reno, San Francisco, or Boston, you will enjoy this opportunity to take a trip back in time and get a better understanding of Placer County's rich and colorful history. Each museum on the tour is unique. Aside from immersing yourselves in history, you will enjoy the variety of settings at each museum. The ones located in the mountains are especially beautiful.

Many of the museums will offer food and beverages including cookies, hand churned ice cream, shortcake, root beer floats, Indian fry bread, lemonade and water. Most museums have restroom facilities available. Look for the symbols , , &  in the museum description.

The museums are grouped in three clusters and are easy to reach from Interstate 80.

Five Valley Museums are located in South Placer. Six Auburn Museums are located within one mile of the Historic Courthouse. Eight Mountain Museums are located in the Sierra Nevada and the north shore of Lake Tahoe. We encourage you to visit several museums during the two day event. This Trail Guide will help you find your way and we invite you back to visit those museums that you missed any time during the year.

Thanks again for joining us. We hope you have a great time!
